Hello! Most of you probably don't know me - my name is Laguna12, project coordinator. Nice to meet you. You can contact me at laguna12@yahoo.com

Earlier this year, I discovered that someone was actually translating this manga already (DVED), and crossed it off my "to do" list. But not too long ago, I noticed the project was discontinued, so here I am! This is one of my faves! =>

We worked really hard on this and we hope you enjoy it. Don't forget to thank DVED for their hard work for volume 1!

YOU'RE

WOW!

YUP! AND THIS TIME
I'LL BE SURE TO GET

I WAS TOO BUSY
LAST TIME...

YOU REALLY

I'M

MARI-

SENSEI

YOU'RE
KIDDING—
ISN'T IT
I'M SO

YOU

I HAVE KNOWN
THAT I MUST
OVERCOME ALL
CHALLENGES

IF THESE
THINGS DIDN'T
HAPPEN

IT WOULD
HAVE BEEN
STRANGER

I WON'T
RUN AWAY...

IT
CHALLENGES

HOW I

AREN'T YOU

I HATE IT WHEN
PEOPLE HOLD THINGS
FROM ME TOO!

I WASN'T
TRYING TO
HIDE IT
FROM YOU.

I MET
HER WHEN
I WAS IN
NINTH GRADE
OF MIDDLE
SCHOOL.
SHE WAS
STRANGE.

"I'LL
INTRODUCE
YOU TO MY
SIST-
ER!"

MY
TUTOR
SAID TO
ME.

THAT
WAS
HER.

WHEN I
WAS IN MIDDLE
SCHOOL, I WAS
A COMPLETE
MESS.

I HAD
MADE A
BUNCH
OF FRIENDS.

BUT THAT
WAS, MY
TUTOR WAS

THE ONLY
PERSON I
TRUSTED.

AT
FIRST,

HE WAS ONLY
A TUTOR BY
PRESTIGIOUS
MONEY AND
HUNG ON HIS
OWN.

I WAS
STANDING
AROUND
THINKING
"YOU GOTTA
BE HIDING

BUT THAT
GUY, HE JUST
WOULDN'T LET

SO, THAT
GUY...

HE'S
MARI-CHAN'S
BOYFRIEND
WHO SHE USED
TO DATE IN
JERSEY?

HE
FORGOT
ME SOON

SABOTAGED
ME WITH
EVERYTHING
HE HAD...

I RUSHED
HIM AWAY

STILL
FOLLOWED
ME

HE WAS
THE KING

THAT.

I CANT

THAT'S WHAT
I USED TO
CALL HER!

YOU WERE
GOING TO
BUY HERCAR
JUST NOW!

AAAA!

WHEN I
MET HER SHE
WAS STILL A
COLLEGE
STUDENT, SO
CALLING HER
"HAW-SENSEY"
FELT WEIRD.

HEHE~

IT WAS OVER
SOME AWK-
WARD THING I
COULDN'T LOOK
PAST

NO,
I MEAN,
HAW-
SENSEY—

SHE'S ALMOST LIKE
A SISTER. TO ME,
HER BOYFRIEND IS
LIKE AN OLDER
BROTHER

NO MATTER
WHAT WE
DO, I WOULD
SEE THOSE
TWO HAVING
FUN

HE WON'T
JUST ENJOY
ME. HE ALSO
TOOK ME WITH
HIM TO MANY
PLACES.

ONE DAY,
I SUDDENLY
THOUGHT,

WELL OVER-
COME WITH
EAGERNESS

FOR SOME
REASON, I
JUST...

LIFE HAD
FULL OF
ONLY BAD
THINGS

I'M
SO
SAD...

AND I
THROWED THEM
FROM THE
BOTTOM OF MY
HEART.

SO IT
WAS LIKE
THAT...

GOOD...

I... WAS
SUSPECTING
YOU OF ALL
THOSE STRANGE
THINGS...

WHEN...

I WAS
NOT
WAS

WHEN I
HEARD I WAS
AFRAID YOU
WERE GOING
TO GET
DRUNK...

I'M SO
HAPPY THAT
YOU TOLD
ME!

KLUNK

AFRAID...

SO
HAPPY...

I DON'T KNOW I DIDN'T DO IT ON PURPOSE!

WHY ARE YOU SO STUPID?

YOU'RE THE ONE WHO DECIDED THEM, DON'T COMPLAIN

SHUT UP!

DON'T STEP ON THEM, BE MORE CAREFUL!

COME ON!

HEY!

I DON'T REALLY KNOW RIGHT I'M SO NERDISH ABOUT, BUT JUST MAKE UP WITH ME.

BECAUSE IF YOU DON'T, WITH HER BOYFRIEND IN PARIS, MASAO-CHAN WILL BE LONELY

BUT I REALLY THINK YOU SHOULD MAKE UP WITH MASAO-CHAN

HE'S NAME IS MASAO-CHAN

REALLY? THAT'S GREAT

MASAO-CHAN IS GOING TO COME BACK TO JAPAN SOON

I WANT TO MEET HIM, IS HE COOL?

FLUSH

STOP
COVERING
ME.

KLUNK

WE'RE
DONE.

ARIGA...

THANKS
FOR
TODAY.

I HAD
A LOT OF
FUN.

I WON'T BE ABLE TO MEET

SOMEONE I LOVE THIS MUCH AGAIN...

I'M SURE...

MY FIRST MANGA WAS TENNAI

It was the summer of 1991. I became an elementary school student at the time and had saving for the most part, most days enough before.

That summer during a family vacation, my mother bought an issue of *Shounen Jump* she had wanted to read. I hardly ever she finished reading it, I flipped through it and began to read *Tenchi Moko Janai*, which had just begun to run. I was something drawn to Shounen Jump. The thing is I had perfectly and his whole was gorgeous. From the next issue on, I began buying them myself, something I never had happened last. Being, I even read Shounen Jump, but my first manga experience was with *Tenchi Moko Janai*.

Since that time, *Tenchi Moko Janai* published as a magazine form and now a *Shounen* edition as well. I've collected the telephone cards that were available to all by request, and even to this day have an unopened playing-card set that was released in one of the issues of *Tenchi*. And here come *Tenchi Moko Janai*—the first and only one in which you trace over a picture with an oil-based marker on a thin piece of plastic and pop it in the case for a few minutes. I would then drink and (because this chance) I often traced *Tenchi Moko Janai*. When one comes out perfectly, I would trace them with friends. I read, I collected, I drew, I was absorbed.

As *Tenchi Moko Janai* comes are drawn with clear lines, clear enough to trace and (because this chance) I often traced *Tenchi Moko Janai*. When one comes out perfectly, I would trace them with friends. I read, I collected, I drew, I was absorbed.

The story is wonderful. It's a high school story, but the story was fairly on school work, rather it was on school activities and events. Since I was a first-year student, they were able to create many new traditions. All of them, like a "first-year" school festival, an original school play created by students, and (because this chance) I often traced *Tenchi Moko Janai*. When one comes out perfectly, I would trace them with friends. I read, I collected, I drew, I was absorbed.

When I came to plotting the romance, however, it was a little uncomfortable. In the beginning, and throughout the story, the story "first" chapter to many problems, that there were hardly any lines of peace. When thinking about it now, there were times I thought, if they were really having so many problems, they would have broken up a long time ago. But I found there happened to be an interesting way, too. The greatest advantage was how *Tenchi Moko Janai* never officially said to you another "let's date", yet they sort of moved into a relationship (though I am not the type of person to like the guy, I thought *Tenchi Moko Janai* by saying things like, "Come on, *Tenchi Moko Janai* let your dog register!"

When I came to love and relationships, I think I was very much like *Tenchi Moko Janai*, but when I came to school, I was like *Tenchi Moko Janai*. In those things, I tried to make it to the other side and (because this chance) I often traced *Tenchi Moko Janai*.

I believe that every thing *Tenchi Moko Janai* is very important, but I love the theme in *Tenchi Moko Janai* work. They all make me think, "Oh, how cute", and I'd love to read something like that. It made such an impression on me that I bought a *Tenchi Moko Janai* for myself. Of course, I have the *Tenchi Moko Janai* book as well.

After *Tenchi Moko Janai* came the *Tenchi Moko Janai* (which I still have) in one form in the story. *Tenchi Moko Janai* is a comic book in a form which I was so excited to realize that the story started to connect and the thing place in the story time. There were other situations where the characters interconnected and I was something to see that. I think the *Tenchi Moko Janai* is a story about the love and the way you put into the characters.

The run is *Tenchi Moko Janai* with three goals. The story progressed in the same amount of time. Whenever I read it, I always cry in the same spots, but the release was only one step. Within the first volume, the scene of the *Tenchi Moko Janai* (the *Tenchi Moko Janai*) was up.

Looking back and thinking about it, I'm amazed. That was the first manga I ever read, but it's all my favorite because of the superior story and art. That story full of certain memories like school and it was being released as a complete version. As a current fan, that makes me very happy.
